AUTUMN WINTER 24

A new collection bursting with artistic, painterly prints, bold colours, and our favourite fabrics. We see the return of timeless shapes as well as brand-new and contemporary styles for you to choose from. Beautiful, embroidered pieces are perfect for drinks with friends or festive celebrations and our gorgeous leaf handloom coats make the perfect outer layer.

This season sees the addition of wool blends into our knitwear collection, including two lovely alpaca and organic cotton knits which will keep you snug all season long. Our ever-popular printed cord is making a comeback, as well as a brand-new chunky cord, designed in flattering styles and bold colours. Nomads' favourites like GOTS and organic cotton continue to make a statement, as well as new fabric additions like our cosy modal jersey. There's truly something for everyone in the AW24 range and we're so excited to be sharing it with you!

OUR VALUES

WHEREVER WE DO BUSINESS, IN THE UK AND AROUND THE WORLD, WE'RE COMMITTED TO THE HIGHEST ETHICAL STANDARDS.

Ever since we embarked on the Nomads journey in 1989, we've been pioneers of the trade not aid ethos. We feel proud to have nurtured valuable, long-term business partnerships in India and have carefully developed a supply chain of like-minded people who share our ethos of trading responsibly.

We ask all of our suppliers to sign our Code of Conduct and expect complete transparency throughout the production process. All except the very smallest of our producers have a SEDEX certification, which means they go beyond the levels of ethical conduct required by law. Several of them are also GOTS certified. We personally know where our products are made and have a good relationship with each factory.

Our India based production manager, Manojj, visits our suppliers regularly throughout the year, even when our team in the UK can't get there, to ensure that our standards are being met.

FEELING GOOD IN WHAT WE WEAR IS MORE THAN ABOUT HOW IT LOOKS.

We create beautiful clothing for the ethically and environmentally conscious by using natural and responsibly sourced fibres, traditional artisan methods and a trusted supply chain. Led by our strong values, we consider our impact on people and the planet at every stage of our journey, as well as always demonstrating transparency. We are GOTS and BAFTS certified, and remain proud supporters of the Fashion Revolution campaign, encouraging consumers to ask, "who made your clothes?"

OUR FABRICS

WE STAND FOR SLOW,
RESPONSIBLE FASHION
THAT'S CRAFTED AROUND A
COMMITMENT TO FAIR TRADE
AND MINIMISING OUR IMPACT
WHEREVER POSSIBLE

Authentic, natural fibre fabrics like organic cotton are our material of choice because they are kinder to skin, producers and the planet. We consider our impact on the environment at each step of our journey and always choose environmentally responsible materials and methods wherever we can.

OUR COTTON

Organic is the best kind of cotton because it's the kindest to the planet, the producers and the people who wear it. Nomads is a GOTS certified company – GOTS is the gold standard when it comes to the sustainable processing of textiles worldwide – and we have been proudly certified since 2018.

INTRODUCING WOOL BLENDS

This season sees the addition of wool blends into our knitwear collection, including two lovely alpaca and organic cotton knits that will keep you snug all season long. You can also find our new tie belt cardigans and cable jumpers, which are both made from 80% organic cotton and 20% RWS standard wool and available in two colourways.

NEW CORD ADDITIONS

Our ever-popular printed cord pieces are back, this season crafted in our elegant sophie print in two fabulous colourways and a range of styles. We also have a brand-new chunky cord which looks amazing in three sumptuous colours.

LENZING ECOVERO

Lenzing EcoVero™ fibres make beautiful jersey and woven fabrics that have a soft drape. EcoVero™ is made using sustainable wood pulp from certified and controlled wood sources and is produced to high ecological standards and has been awarded the EU Ecolabel for environmental excellence.

ORCHARD

NEW CHUNKIER CORD

AUTUMN FAYRE PRINT

BLUES STUDIO

ARTISTIC PAINTERLY PRINTS

The bold Deco print features on organic cotton jersey, while the fabulous Windmill design looks great on our popular textured Tencel. Try our new fashion-forward tiered dress or best-selling wrap dress for an elegant look.

EMBROIDERED PIECES

We love embroidery at Nomads and this season is no different. Three beautiful shapes have been carefully crafted using soft draping viscose and feature our lovely embroidered motifs.

CHAMBRAY

Cotton chambray returns in our best-selling bubble trousers, as well in two new shapes. Chambray is softer and more environmentally responsible than traditional denim, whilst still capturing the same versatility.
